EXPERIENCE

Serve IT Accessibility Team Intern, Bloomington, IN

August 2022 – Present

Team Lead

- As team leads for the Accessibility team, I and another team lead were assigned to be the project manager for the group. We were responsible for creating and leading the team during meetings, monitoring our progress, making sure everyone is aware of the deadlines, and solving issues and questions that came up during our weekly meetings.

Serve IT UX Intern, Bloomington, IN

May 2022 – July 2022

Team Member

- As an intern in the user experience team, we consulted with our team lead and the client to review and redesign the client's website by providing design solutions through sitemap, prototype, and wireframing using software like WordPress and Figma. During this time, I became more aware of mobile responsiveness, usability testing, and user accessibility.
