WORK EXPERIENCE

EDUC-X152 Teaching Assistant, Bloomington, IN   August 2021 – May 2022
IU Peer Coach

- Organized class attendance to provide information for professors using Microsoft Excel
- Facilitated in-person and online meetings with students to resolve possible academic and personal concerns regarding the course
- Motivated and listened to students' struggles and navigated resources to show support

Orientation Leader, Bloomington, IN   May 2020 - January 2021
Orientation Leader (OL)

- Modified assignments to present virtual orientation for incoming students to Indiana University
- Coordinated phone calls to students to reassure and resolve their concerns about the pandemic
- Planned virtual meetings with another OL to educate students about IU resources and policies

---

EXPERIENCE

Serve IT UX Intern, Bloomington, IN   May 2022 – June 2022
Team Member

- As an intern in the user experience team, we consulted with our team lead and the client to review and redesign the client's website by providing design solutions through sitemap, prototype, and wireframing using software like WordPress and Figma. During this time, I became more aware of mobile responsiveness, usability testing, and user accessibility.

TECHNICAL SKILLS

Web Development: HTML, CSS
Software: Dreamweaver, Adobe XD, Adobe InDesign, Adobe Illustrator, Figma
Languages: Chinese Mandarin, English
Miscellaneous: Microsoft Excel, Microsoft Word, Notion, Canva, Wireframe
